- d) Salutes involving the discharge of firearms will be permitted only for military funerals provided that the R.C.M.P have given prior written approval.

Bylaw No. 483-2000
CEMETERY BYLAW

2.5 Disinterments

- a) In all cases, a permit from the Provincial Department of Health must be presented to the Supervisor before disinterment is allowed in accordance with the *Cemeteries Act*.
- b) Disinterments will only be allowed when written approval has been granted by the Supervisor.
- c) The City's responsibility for lot openings will end at the point where the soil is sufficiently excavated to permit access to the body for removal by the attending funeral home for any disinterment. All payment for costs incurred by the City will be the responsibility of the person requesting the disinterment.
- d) The remains of persons who died from specified communicable diseases as defined under the regulations of the *Public Health Act*, will not be allowed for disinterment until the Provincial Medical Officer of Health, or other public Officer of Health having authority at the time, approves the disinterment in accordance with the *Public Health Act*. All payment for costs incurred by the City will be the responsibility of the person requesting the disinterment.
- e) Should a lot become vacant as a result of the removal of a body in the West Cemetery, the land may revert back to the City as the Owner's option subject to the guidelines of Section 2.6 q) of this Bylaw.

2.6 General Rules and Conditions - Interments

- a) All cemetery care in the immediate vicinity of a lot shall be discontinued during a burial service.
- b) Sale of lots must be made on a progressive schedule unless approved otherwise by the Supervisor.
- c) Application for interment of a body shall be made at least 48 hours prior to the time of interment (Saturdays, Sundays and Civic or Statutory Holidays exempt) between May 1 to October 31 and 72 hours between November 1 to April 30.
- d) The City will pre-sell lots with the provision that a person may not purchase more than four (4) lots in the standard burial sections or more than four (4) lots in the cremation sections. Requests to pre-purchase more lots than stated above must be approved in writing by the Supervisor.
- e) Every person obtaining a lot in the Cemetery shall be held responsible for the cost thereof and for all charges in connection therewith, including disinterment of a body when applicable. Any person signing an order for interment will be held responsible for all charges in

Bylaw No. 483-2000
CEMETERY BYLAW

- connection with such interment. Such person shall, in addition, be held responsible for compliance with the regulations governing installation of monuments.
- f) Burials in the Cemetery shall be permitted only during the hours from 9:00 a.m. to 4:00 p.m. Monday to Friday excluding declared Civic or Statutory Holidays. Special arrangements may be made for Saturday, Sunday or Holiday burials, subject to payment of extra fees as per the Fees & Charges Bylaw. Exception to this would only apply when orders are received by the Provincial Health Department or during a period of extra ordinary happenings. **Amended – Bylaw 712-2008 adopted December 8, 2008.**
 - g) For any Funeral Procession arriving at the Cemetery after the Cemetery working hours, the Owner will be responsible for payment of the additional late fee as per the Fees & Charges Bylaw. **Amended – Bylaw 712-2008 adopted December 8, 2008.**
 - h) All burials are to be made within the confined boundary of a lot.
 - i) Interment of any body other than a human being is prohibited.
 - j) Grave liners are to be used in all deep and standard burials (excluding small lots). Such liners shall be at the Cemetery at a reasonable time prior to interment.
 - k) Grave liners or similar structures may not be erected, constructed or placed above ground in the Cemetery. All grave liners must be totally buried with the highest point at least two feet (0.6 meters) below the soil surface.
 - l) No second interment will be permitted in any lot on which there are unpaid charges due and payable to the City.
 - m) No interments will be allowed without the following:
 - i) Burial Permit issued by Government of Alberta, and
 - ii) application for permission to inter a body from the City, and
 - iii) the full payment fee for lot, or
 - iv) a payment schedule approved by the City.
 - n) When any Owner or his agent orders an interment by telephone, the City will not accept any responsibility for any errors or misunderstanding that may arise therefrom.
 - o) It is a condition of purchase (deed), that the owner expressly waives any claim arising by reason of any error or mis-description of any burial lot. The City undertakes that it will attempt insofar as is reasonably possible to avoid such errors but its liability shall only extend to refund, in case of error, any money paid to the City for a lot or it undertakes to make an equivalent quality of lot available in lieu of those originally allocated.

Code 12/12

- p) Lots may not be sold except back to the City. They may be transferred to relatives by written request and payment of transfer fee to the City.
- q) The City will buy back a lot from the Owner for the full original price or 85% of current selling price, whichever is greater, under the following conditions:
 - i) proof of purchase is provided by the Owner or confirmed by the City.
 - ii) Lot is re-sellable (as determined by the City).
- r) The use of a lot is authorized when the signature of the "Purchaser" or "Agent" appears on the Application to Inter and the application is approved by the City, in writing.
- s) The rights granted by the sale shall not be transferred to any other person without the consent of the City.
- t) A plan of the Cemetery showing all lot locations shall be open for inspection, during regular working hours at the City office.
- u) The City shall be responsible for the general supervision of the West and East Cemeteries.
- v) The Funeral Home shall be responsible for lowering the grave liner, casket, and placing and removal of greens. The Funeral Home or its Representative, shall be present until the grave liner is sealed.
- w) The City reserves the right to alter its general regulations from time to time and the Supervisor may cause to temporarily suspend any rule.
- x) If the lot(s) Owner is deceased, and a conflict arises in regards to the lot(s) and management thereof in the absence of a Court Order, the people in the following order of priority will make the decision:
 - i) the personal representative designated in the will of the deceased;
 - ii) the spouse of the deceased if the spouse was living with the deceased at the time of death, or a person who had been living with the deceased at the time of death as spouse for a continuous period of at least 2 years;
 - iii) an adult child of the deceased;
 - iv) a parent of the deceased;
 - v) a guardian of the deceased under the *Dependant Adults Act* or, if the deceased is a minor, under the *Child Welfare Act* or the *Domestic Relations Act*;
 - vi) an adult grandchild of the deceased;
 - vii) an adult nephew or niece of the deceased;
 - viii) an adult next of kin of the deceased determined on the basis provided by sections 8 and 9 of the *Intestate Succession Act*;

- x) an adult person having some relationship with the deceased not based on blood ties or affinity;
- xi) the Minister of Family and Social Services.

3.0 MAINTENANCE/FLOWERS

3.1 Flowers

- a) Flowers will be allowed on lots in vases attached to the monument, until they become unsightly and/or until they become a significant maintenance problem, as deemed by the Supervisor.
- b) Any type of flower will be permitted on the lot the day of the burial for the period of 7 days.
- c) Flower beds planted by the public at the lot site will be at their own risk. No perennial plants will be permitted. The dimension of the flower bed will be restricted to a maximum width of the concrete runner (foundation) and to a maximum depth of 0.6 m (24 inches). If the flower bed is neglected, the City reserves the right to remove the flowers at the discretion of the Supervisor.
- d) In the East Cemetery, any historic deviation for item (c) will be allowed to continue.
- e) In the West Cemetery, flower beds are permitted only in specific sections as determined by the Supervisor.
- f) Vases attached to the monument are permitted throughout the Cemeteries.
- g) Retractable Vases are permitted in all flat monument section areas.
- h) The City reserves the right to plant all perennial flowers, shrubs and trees to landscape or to carry out any improvements to the grounds.
- i) The City accepts no responsibility for missing vases, flowers or wreaths.

3.2 Lots/Graves

- a) All lots in the Cemetery will be sold, with the City to provide reasonable cemetery care.
- b) All care and improvement of lots, excluding the flower beds, shall be the responsibility of the Supervisor.
- c) No person shall remove the sod from lots or from any portion of any lot in the Cemetery without first obtaining the prior written approval from the Supervisor.
- d) No person shall erect upon a lot any fence, railing, wall, stone coping, hedge or the like. Where any of the same have previously been

Bylaw No. 483-2000

CEMETERY BYLAW

erected around a lot, and have by reason of age or neglect become unsightly or objectionable, the Supervisor may cause such to be removed.

- e) No person shall place on any lot wooden or wired trellis, wooden or wired cross or articles or containers of pottery, glass cellophane or other materials not approved by the Supervisor.
- f) No person shall remove any plants, flowers, slips or cuttings from anywhere on a Cemetery without first obtaining approval of the Supervisor, except from vases or when weeding of flower beds within the lots is required.

4.0 **MONUMENTS**

4.1 Installation

- a) The purchase and installation of monuments is the responsibility of the Owner.
- b) No monument shall be installed, altered or removed until all pertinent information has been filed with the City and a Monument Installation Permit is issued by the City.
- c) All foundations, bases and monuments shall be confined within the boundaries of the respective lots, and all monuments shall be placed in a manner as to maintain a consistent alignment with other monuments on adjacent lots whenever possible.
- d) Monument size restrictions are as follows:
 - * Size restrictions include a 75 mm (3") base
 - * Size restrictions for flat markers include the foundation
 - i) Flat Markers
 - Maximum Length 0.90 m (36") per lot

 - v) Cremation/Small Lots
 - Maximum Length 0.66 m (26") per lot
 - Maximum Width 0.46 m (18") per lot
- e) In Sections A and part of B of the West Cemetery, only flat monuments will be allowed.

Bylaw No. 483-2000
CEMETERY BYLAW

- f) Only flat monuments will be allowed on cremation lots. Special provisions may be considered by the Supervisor for the cremation area in the East Cemetery.
- g) Any monument installed that does not comply with this Bylaw and the Monument Installation Permit, may be removed by the Supervisor at the expense of the Monument Company or Owner.
- h) When conducting a monument installation, the Monument Company, Owner or other person in charge of the work shall conform to the following:
 - i) convey, transport, place and keep all material and equipment in designated areas as directed by the Supervisor,
 - ii) carry out such work under the general supervision of the Supervisor and in such manner as not to interfere in any way with abutting or adjoining lots,
 - iii) remove all masonry litter, rubbish or refuse and leave the lot in a clean, tidy and proper condition. In the event of neglect or refusal to do so, the City may cause the work to be done and charge all costs to the Monument Company, Owner or other person responsible.
 - iv) all work of any kind near a funeral being held shall be discontinued from the time the Funeral Coach enters the Cemetery gates to the time the Funeral Coach and mourners are out of the Cemetery.
- i) The surname inscribed on a monument must match the surname corresponding to the burial as recorded in the City office. Where there is a request for an inscription with a different surname than recorded in the records, the recorded name must either be legally changed or it must appear on the inscription. In this circumstance the legal name may appear in smaller lettering or be placed in parenthesis on the inscription.
- j) All monuments installed are subject to inspection and approval by the City.
- k) Any Monument Company employees, contracted employees thereof and/or authorized individuals carrying out any monument work in the Cemetery, will advise the Supervisor upon restoration or repair of any damages to the Cemetery grounds or fixtures resulting from their actions.
- l) Any and all cost for damage done to roads through the hauling or conveying of material used in the installation of any monument will be charged to the Monument Company, Owner or person in charge of the work.

Bylaw No. 483-2000
CEMETERY BYLAW

- m) No person shall erect more than one monument on any one lot, except where flat markers are permitted in the Field of Honor for Veterans' spouses.
- n) Whenever the Owner of a monument neglects to make any required repairs or alterations to a monument within 30 days after receiving written notice from the Supervisor to do so, the City shall have the power to repair such monument and charge the cost thereof to the Owner which may be recovered as a debt from the Owner to the City.
- o) The City may remove and dispose of any monument or memorial structure placed in the Cemetery if such would fall into disrepair and/or become unsightly. The City will forward written notification prior to undertaking this action to the last known address of the Owner of the lot.
- p) The City has the right to temporarily remove and replace any monument when deemed necessary for Cemetery operation purposes.
- q) Minor scraping of the base portion of monuments due to the turf mowing operation is considered normal wear.
- r) No person shall change the grade of any lot without the City's prior authorization. The City is to restore the lot to its original grade at the expense of the Owner should it be deemed necessary.
- s) Owners are responsible to maintain monuments in good repair.
- t) Any work defined as adding inscriptions, re-surfacing, re-highlighting or repairing monuments will require an application to be made to the City prior to commencement of work.
- u) No inscription or impression shall be placed on any monument which, in the opinion of the Supervisor, is not in keeping with the dignity and decorum of the Cemetery.
- v) Monuments installed without a permit of approval may be removed by the City without notification and all costs will be charged to the Owner for the removal.
- w) Grave covers or Cairne/Boulder Monuments are not permitted in the Cemetery. Repair of existing grave covers or Cairne/Boulder Monuments will be permitted in the East Cemetery, however replacement will not be permitted.

5.0 VISITORS/VANDALISM

5.1 Visitors

- a) Visitors will be allowed access to the Cemeteries at all reasonable times, but must observe all rules which may be adopted for the regulation of visitors.
