

2019 Youth Wellness Partnership Application

The City of Leduc is seeking external partners to provide opportunities to local youth with the outcomes of reducing barriers to participation and improving the variety of opportunities available.

Background

In 2018, the City of Leduc launch a Youth Wellness Initiative aimed at improving the quality of life for local youth. The initiative focuses on reducing barriers to participation in sport, recreation, social wellness, arts and culture opportunities. It also seeks to increase the menu of options available to youth to help drive interest.

Grade 8 and 9 students were selected as the target subset of the 'youth' age category. Research shows that students in these grades are typically where participation in regular wellness, sport and recreational activities decline, for females in particular.

External Partnerships

The City recognizes that additional resources will be required to provide the variety of opportunities youth are seeking. Through leveraging resources and expertise outside of local governmental departments, the City hopes to strengthen the quality of the Youth Wellness Initiative.

Applicants can apply for up to \$5,000 in funding to provide an opportunity for local youth ages 12-17. Opportunities can vary in nature (i.e. one-time event or multi-day program). A total of \$15,000 is available for 2019 to be disbursed.

Application Information

Applicants must complete the attached application form and submit them via email to Michael Warchol at mjwarchol@leduc.ca.

Please note that in order to be eligible to receive funds, the proposed program or activity cannot already receive financial support from the City of Leduc. When evaluating proposals, higher weighting will be given to programs or activities that are not currently available to youth and that align closely with the four goals outlined on the previous page.

Deadlines

Applications are due **June 7, 2019**. A selection committee will review all applications and final approvals will be made by June 12, 2019. Successful applicants will be contacted no later than June 14, 2019.

Questions about applications can be directed to:

Michael Warchol

Manager, Recreation Services
