

# Proclamation

## World Cerebral Palsy Day

Cerebral palsy is a neuromotor disability that affects approximately 3.3 people in every thousand. Cerebral palsy is a term used to describe a group of conditions affecting body movement and muscle coordination.

**WHEREAS**, cerebral palsy affects all levels of society and all levels of socioeconomic status; and

**WHEREAS**, this world-wide, annual event is designed to raise public awareness about the serious challenges that remain for people affected by cerebral palsy; and

**WHEREAS**, the Cerebral Palsy Association in Alberta is a leader in advocating for persons with disabilities and is the primary center for providing programs, services and information on treatments, resources and services relating to cerebral palsy;

**THEREFORE**, on behalf of Council and the residents of the City of Leduc, I do hereby recognize October 6th, 2019, as "World Cerebral Palsy Day" in the City of Leduc.

Bob Young | Mayor
