Leduc Summer Camps 5 – 12 year olds

Every day brings a new adventure at LSC! There are daily activities, crafts, and games reflecting our themes. We offer two age groups for registration: ages 5 – 7 and 8 – 12 (as of July 2019).

The same great day awaits all participants, as age groupings are due to supervision requirements in the programs and at the field trip locations. To get the most out of our day camps, check our website (Leduc.ca/summercamps) to find our detailed calendar including what your child should wear or bring for that day and our parent handbook.

Find an option just right for you! We have SINGLE day camps, WEEK long camps, FIELD TRIPS and even SPECIALTY camps.

Swimming Days: Tuesdays and Thursdays

MIX FAMILY AQUATIC CENTRE

General information

Wristbands – The wristband system allows us to identify patrons and the children they are with that require **Active Participation** while in the facility. Children 0 to 7 years of age must be accompanied in and out of the water by an adult or responsible youth, 14 years or older, at all times. Supervisors and children 7 years old and under will be given a matching wristband.

If the description states an **Adult is required** the active participant needs to be 18 years or older. All programs that require **Active Participation** will include this red icon.

Morning Lane Swim Admittance – Weekdays, 5:30 a.m. – 8 a.m., patrons must present their membership pass or punch card to the lifeguard on duty. The aquatic centre staff will not accept cash or cheques for admission. For more information, please ask a Guest Services representative.

Pool Deck Requirements for Shoes and Strollers – For health and safety reasons outdoor footwear and strollers are not permitted on deck or in the change rooms. Shoe racks are provided at the change room entrance and the viewing area entrance on deck. You can take your shoes into the change room to lock them in your locker. Strollers can be left in the 'Stroller Parking Lot' and exchanged for 'pool' strollers to be used on the deck or in the change rooms.

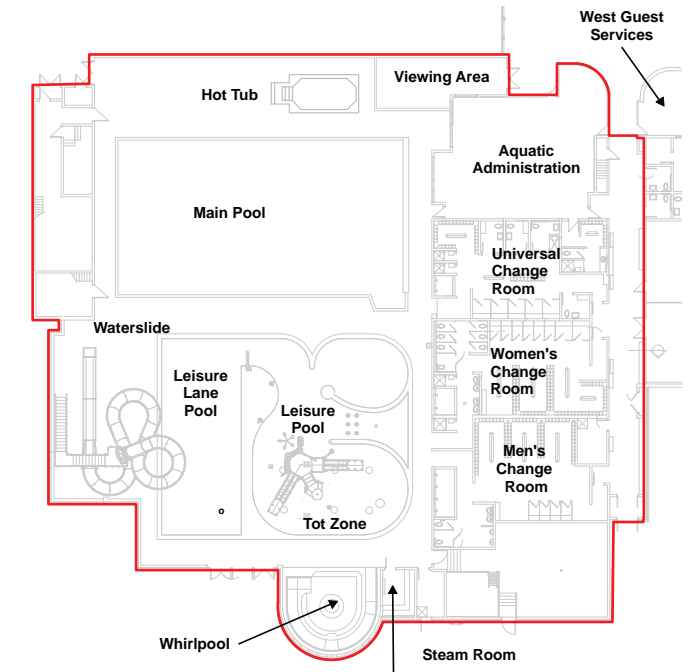

Pool Fouling – Unfortunately, on occasion, pools have to be closed in an untimely manner due to pool fouling. Health regulations require our pools be closed anywhere from 1 to 36 hours for necessary disinfecting. Please take precautions and feed your children after their swim or a few hours before. Have them use the washroom before entering the water and during lessons or leisure swimming.

Diaper Requirements – *Swim diapers are required for all patrons who are not toilet trained.*

Swim diapers are available at Guest Services for free. Disposable and cloth diapers aren't allowed in the pools

Zumba

Join this fun dance class that is exercise in disguise. Easy to follow moves in fun form will burn calories and help tone your body!

as these diapers soak up the water. Disposable diapers can also explode in the water which will cause a closure of the pool.

Aquatic Wheelchairs – We offer aquatic wheelchairs for use on the pool deck, as well as in the water. These chairs are stainless steel and completely submersible, allowing guests with mobility constraints to enjoy the pool. Please see a lifeguard to access an aquatic wheelchair.

Registration for **aquatic programs** will take place one week **earlier** than all other programs. Classes fill up quickly, so we encourage all registrants to pre-plan their registration before registration opens. If your preferred program is full, please ask to be waitlisted as classes will be added where possible.

Entrance Gate at West Guest Services

To help reduce theft and suspicious behavior within the LRC, we have implemented a new entrance gate at the West Guest Services. To gain access to our aquatics centre, child minding centre, indoor playground, and youth programming rooms, patrons will have to stop by our Guest Services desk to gain access.

Red Cross Water Safety Instructor Development Program (WSI)

The WSI Course is designed to provide candidates with the proper knowledge and skills to teach swimming and water safety while promoting water-safe attitudes in, on, and around the water. Learn to teach all levels of the Red Cross Learn to Swim program. Course material will cover teaching methods for water safety, water skills, and swimming strokes. This certification consists of 4 components, all of which must be completed for successful completion of the WSI certification.

PART 1: Skills Evaluation – completed within Classroom & Pool component

This initial skills assessment can be completed before, during or after candidates complete the online modules but must be completed prior to finishing the classroom portion. Candidates are evaluated on water safety skills & strokes (based on Red Cross Swim Kids 10 performance criteria) & Instructor Emergency Response (IER) skills to ensure the WSI candidate can identify and demonstrate how to prevent & manage any emergency situation that may arise in an instructional setting.

PART 2: Online Professional Development Modules

*Cost included with classroom registration. Contact Aquatic Programs Coordinator to purchase Online materials only at 780-980-7165.

This 14-20 hour online component of the course focuses on the theory of instruction. WSI candidates' knowledge is tested through videos, virtual games, workbook & online activities, and a knowledge evaluation at the end of each module. The WSI course package includes all WSI course materials including access to the WSI – Online component. This online component can be done at the candidate's leisure but must be completed prior to beginning their Teaching Experience and classroom portions of the Instructor Development Program. Spray Park	June 30 – Sept. 2	Statutory Holidays
Daily	10 a.m. – 8 p.m.	9 a.m. – 9 p.m.

Tips Before you Play

Check the weather

For most people, 18°C is the minimum comfortable temperature for outdoor aquatics. Temperatures in Leduc during June and August often dip below 18 degrees. Please be cautious, especially with small children, when using the Spray Park on these days.

Toilet-training?

Make sure all little ones not yet potty-proficient are wearing swim diapers on the pad. Accidents can cause a closure of the park.

Change Facility

We recommend arriving in swim attire. Alexandra Pool change rooms are available during pool operating hours only. A single washroom located on the northeast corner of the outdoor pool building is available when the pool is closed. This washroom is not equipped with a shower.

Food Options

Food can be consuming on the grassed areas. Please tidy up after yourself and help us keep the park clean for everyone. Avoid glass containers to keep the park feet-friendly. A concession is available at the Alexandra Arena.

Don't Forget!

Children under 8 should be actively supervised on the Spray Pad. Smoking is not permitted in the park and pets are best left at home.
