## Introduction

A neighborhood block party is the opportunity for neighbours to get together, meet each other, have fun and work together on a common activity. Getting together with neighbours for a warm evening of fun is not only enjoyable but it also enables a renewed attachment among the people in your area. Friendships amongst neighbours also result in safer, more caring neighbourhoods.

## Top 10 reasons to have a block party

1. To have fun – no excuses or reasons are needed to celebrate.
2. To meet your neighbours. When you know who lives in your neighborhood you are more likely to identify strangers or suspicious people.
3. To increase your sense of belonging to a community.
4. To establish new friendships.
5. To learn more about your neighbours including those that might need a little help from time to time.
6. To meet some long-time residents in the neighborhood and learn the neighborhood's history.
7. To strengthen neighborhood spirit and encourage residents to look after the neighborhood.
8. To make additional connections within the community. When you know people, you can exchange skills or resources and perhaps organize a book club, baby-sitting co-op, share walking to school duties or find new friends for your children.
9. To have a neighborhood clean-up day, play some good music and safely socialize once all the work is done.
10. To start a neighborhood tradition of getting together at least once a year!

## Planning your block party

---

### 1) Getting started:

- The idea of a neighborhood block party is to bring neighbors together, so the first step is to talk to your neighbors.
- You may want to send out a flyer to explain what a block party is, to encourage attendance and get feedback on things like possible event dates and times.
- Enlist as many neighbors as you can to help out. One person can create the flyer, someone else can deliver them, etc. Perhaps local youth can help deliver the flyers.
- Social media is a great tool that can be used to start an online group, create a Facebook event and share event photos and memories.
- It is important to include as many interested people as possible in planning and organizing your event.

### 2) What type of block parties work best in neighbourhoods?

- **Driveway Dinner Party**
  - » Invite your neighbours to set up a picnic on their own front lawns or drive ways and eat meals outside with other families on the street.
- **Picnics**
  - » Everyone brings their own meal.
- **Activities**
  - » Host a scavenger hunt or Chalk your Block event.

### 3) How big to make it?

- Start off with a smaller event rather than a larger one. You can always grow your event as needed.
- In selecting who to invite, use natural neighborhood boundaries like the end of the block or cul-de-sac. You should invite everyone from that area.

### 4) Location

- It is recommended to use a common public space. This will increase the likelihood of shared responsibilities for the event. Options include:
  - » An existing park, street or common area (must abide by City of Leduc bylaws)
  - » A garage in the event of a rainout.
  - » A common room in a condo unit.
  - » Your front yards and driveways.

### 5) Getting the word out

- Here are some ideas to keep neighbours informed:
  - » Flyers can be used, including a feedback section.
  - » Information can be gathered from your neighbours by going door-to-door. This adds a personal touch and people often offer to help.
  - » A casual approach can be used to inform neighbors when you see them out and about.

## 6) City of Leduc road closure permission

- Some local roadway closures may be permitted for a Block Party. Road Closures permit approvals are subject to safety and your neighbours approval. As your safety is our priority, some road closures requests may not be accommodated but we will do our best to provide other options. Best locations to host a block party are your yards, driveways or a local park or green space!

To request a road closure, Block Party Hosts must submit the following at least two weeks prior to your event (the more time provided the better):

- » Complete a Temporary Road Closure Permit including a map of the location at [www.leduc.ca/roadsidewalklane-temporary-closure](http://www.leduc.ca/roadsidewalklane-temporary-closure)
- » Submit a completed Neighbour Road Closure Agreement to FCSS at [www.leduc.ca/block-party-sign-sheet](http://www.leduc.ca/block-party-sign-sheet)
- Upon approval, the organizer can pick-up & return barricades Monday-Friday 8:30am-4:30pm at:
  - » City of Leduc Operations Building  
4300 56 Ave (Main Reception)  
*\*Saturday & Sunday Block Party's pick-up on Friday, return on Monday*

## 7) Timing to get the event planned

- For a first-time block party, distribute the first flyer requesting feedback three to four weeks before the event.
- Once the organizer has looked at all the suggestions, the final event details with date, time and what to bring should go out 2-4 weeks before the event.
- Have an alternate rainout day planned, just in case.
- If young children or seniors are living near the party area plan to finish by 9:00 p.m.

## 8) Role of the organizers

Below are some suggestions for the role of the party host:

- Make decisions about the set up.
- Act as a greeter at the event.
- Introduce new neighbors and help them make connections.
- Make sure the cleanup is done, you may wish to "inspire" clean up by rewarding the children with a prize.

## 9) Set-up

- Use a sign-in book to help develop a contact list for next year.
- Name tags are a nice touch. Decide if you want neighbors to write on their name tags (first and last names, house numbers and you can add a fun element and ask them to add their favorite food or hobby.
- Have a few garbage cans available.
- Have a hand wash or Sanitizer Station available.
- Request neighbours bring their own chairs or picnic blankets to sit on.
- Remind everyone to practice physical distancing. You will find a sign to display in your block party kit.
- Institute a washroom rule that everyone uses their own.
- Decide in advance if pets are allowed and include the information on your party invite.
