

BLOCK CONNECTOR

NEIGHBOURHOOD 'I SPY' GAME

Connecting to each other is more important than ever during the COVID-19 pandemic. Even from home, Leduc citizens are staying connected and neighbourhoods are staying vibrant - it may just look a little different. Let's see how many things you can 'spy' in your neighbourhood!

I spy with my little eye...

1. Neighbours practising physical distancing
2. Neighbours waving at neighbours
3. A sign thanking Alberta Health Services workers
4. Neighbour walking a dog
5. Sidewalk art
6. Leduc Transit bus
7. Neighbour doing yard work
8. Postal or delivery workers dropping off mail or packages
9. Window art
10. Neighbour doing outdoor fitness (i.e. jogging)
