1993 - 1994 Leduc Oil Barons U15 AAA Team

The Leduc Oil Barons U15 AAA hockey team was one of the top teams in the Alberta Major Bantam AAA league during the 1993-94 season. Part of the Leduc Junior Athletic Club and sponsored by Sperry Sun, the team demonstrated exceptional dedication and perseverance throughout the season.

The Oil Barons included players from the City of Leduc and surrounding areas. One of them was future NHLer Martin Sonnenberg. They worked hard at honing their skills and building team spirit, meeting for practices three to four times every week. They finished the season with a total of 243 goals scored in 32 games, winning 29 of them.

The team set an example for the community of good sportsmanship, determination and positivity after losing the league championship, making a comeback and going on to win their first-ever provincial championship. They capped the season by taking home the WHL Cup at the Western Canadian Bantam Championships.
