

Leduc Christmas Bird Count Sunday, December 20, 2020

Watch birds for a minimum of 30 minutes on December 20. Identify the birds you see and note how many of each species you spot. The City of Leduc Winter Bird Guide (Leduc.ca) is a helpful resource featuring common local bird species to help identify what each species looks like. To access a more comprehensive visual library, please visit the Audubon website: http://www.audubon.org.

Please call the Eco Smart Hotline at 780-980-7107 if you have any questions. Participants will be entered into a random prize draw. Please submit your completed tally sheet to ecosmart@leduc.ca or mail the hardcopy tally form to the City of Leduc Civic Centre: #1 Alexandra Park, Leduc, AB T9E 4C4 by Tuesday, January 5, 2021.

Please record any rare bird sightings below that you saw within 3 days before or after December 20, 2020:

The personal information on this form is being collected in accordance with section 33 (c) of the Freedom of Information and Protection of Privacy Act (FOIP) and is protected by FOIP. It will be used to compile national bird count data and send you email updates on City environmental initiatives/programs if you have indicated to us you would like to receive them. If you have any questions about the collection and use of the information, please contact the City Clerk at (780) 980-7132 at #1 Alexandra Park, Leduc, AB, T9E 4C4.
