IMPORTANT NOTICE

CITY OF LEDUC

48th STREET REHABILITATION

UNDERGROUND AND SURFACE REPLACEMENT

June 15, 2021

Nikiforuk Construction has been awarded the General Contractor for the 48th Street Underground and Surface Replacement for the City of Leduc with DeFord Contracting as the Sub Contractor doing the concrete and paving.

This project has 2 components:

A) Underground Replacement (Nikiforuk Construction)

B) Surface Replacement (DeFord Contracting)

Nikiforuk Construction will be commencing with component “A” on Monday June 21 weather permitting. There will be full road and east sidewalk closure starting on Monday June 21 between 45th Avenue and 46th Avenue. This will be closed until August 29, 2021. This road closure will extend to Black Gold Drive on July 1, 2021.

Residences along 48th Street will be supplied with a temporary water service connected to the City of Leduc’s water distribution system. Scheduled water outages will occur to facilitate watermain tie in to existing water. Residents will be given notice of the water outages. Residents can anticipate to be on a temporary water service for approximately 1 month. Should you have any problems or concerns with the temporary water supply during construction, please contact Nick Nikiforuk at: 780-991-3662 or see any of the workers on site.

Waste collection will continue as usual. The bins will be relocated by Nikiforuk employees to an area where they can be collected by the waste collection company and returned at the end of the day. Please ensure your bins are properly labelled with your address. We will be applying the address to any unlabelled bins before moving them.

Nikiforuk Construction and the City of Leduc apologizes for any inconvenience this may cause and asks that you obey all construction signs
