Facility Information

Wristbands

To ensure everyone has a safe and enjoyable experience, the LRC has implemented a wristband procedure. This system allows us to identify patrons who have paid for facility activities and identify children that require supervision while in the facility. Children 7 years of age and under and their supervisor will be given matching wristbands.

Personal Belongings

It is recommended that patrons do not leave any valuables in the change rooms. We suggest securing all personal items in a coin-operated token locker or securing your belongings in a locker with your own padlock. Guest services also does sell padlocks ranging in price from \$5 - \$15. Please remember to remove your lock after your visit as any locks left overnight will be removed.

The City of Leduc and LRC are not responsible for lost or stolen articles.

Public Drop-In and Outside Training

Public drop-in access is intended for recreational use only. Any outside personal training or group instruction/coaching is strictly prohibited during public drop-in times.

Active Participation vs. Active Supervision

Active Participation requires a responsible person 14 years of age or older to participate with the participants 7 years of age or under in the field house. In the aquatics centre and/or on the ice the child must be within arm's reach of guardian. If the description states an **Adult is required** the active participant must be 18 years or older. Some instructor-led programs may also require active participation. You will see the following red icon beside all **Active Participation** activities.

Active Supervision requires a responsible person 14 years of age or older to watch participants 7 years of age or under from the sidelines of the field house or from the players bench in the ice arenas.

General information

Wristbands – The wristband system allows us to identify patrons and the children they are with that require **Active Participation** while in the facility. Children 0 to 7 years of age must be accompanied in and out of the water by an adult or responsible youth, 14 years or older, at all times. Supervisors and children 7 years old and under will be given a matching wristband.

If the description states an **Adult is required** the active participant needs to be 18 years or older. All programs that require **Active Participation** will include this red icon.

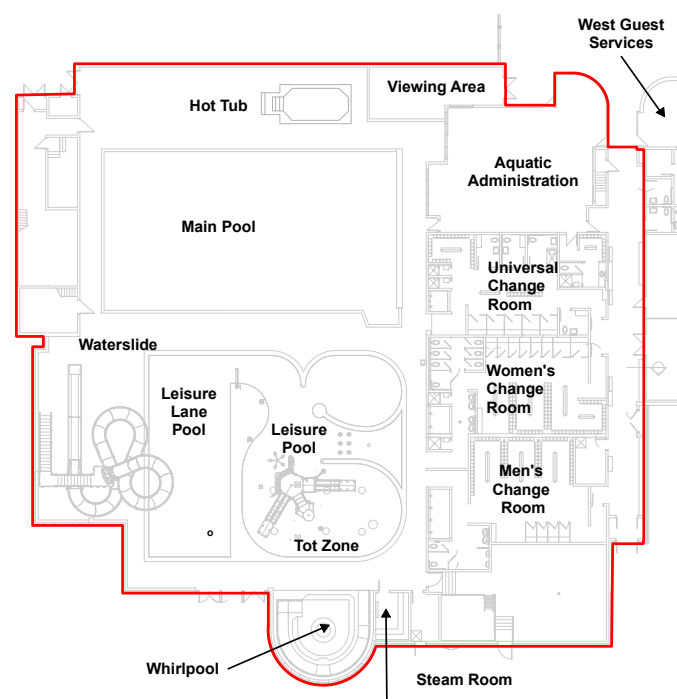

Morning Lane Swim Admittance – Weekdays, 5:30 a.m. – 8 a.m., patrons must present their membership pass or punch card to the lifeguard on duty. The aquatic centre staff will not accept cash or cheques for admission. For more information, please ask a Guest Services representative.

Pool Deck Requirements for Shoes and Strollers – For health and safety reasons outdoor footwear and strollers are not permitted on deck or in the change rooms. Shoe racks are provided at the change room entrance and the viewing area entrance on deck. You can take your shoes into the change room to lock them in your locker. Strollers can be left in the 'Stroller Parking Lot' and exchanged for 'pool' strollers to be used on the deck or in the change rooms.

Pool Fouling – Unfortunately, on occasion, pools have to be closed in an untimely manner due to pool fouling. Health regulations require our pools be closed anywhere from 1 to 36 hours for necessary disinfecting. Please take precautions and feed your children after their swim or a few hours before. Have them use the washroom before entering the water and during lessons or leisure swimming.

Diaper Requirements – Swim diapers are required for all patrons who are not toilet trained.

Swim diapers are available at Guest Services for free. Disposable and cloth diapers aren't allowed in the pools as these diapers soak up the water. Disposable diapers can also explode in the water which will cause a closure of the pool.

Aquatic Wheelchairs – We offer aquatic wheelchairs for use on the pool deck, as well as in the water. These chairs are stainless steel and completely submersible, allowing guests with mobility constraints to enjoy the pool. Please see a lifeguard to access an aquatic wheelchair.

Classes fill up quickly, so we encourage all registrants to pre-plan their registration before registration opens. If your preferred program is full, please ask to be waitlisted as classes will be added where possible.

Tips Before you Play

Check the weather

For most people, 18°C is the minimum comfortable temperature for outdoor aquatics. Temperatures in Leduc during June and August often dip below 18 degrees. Please be cautious, especially with small children, when using the Spray Park on these days.

Toilet-training?

Make sure all little ones not yet potty-proficient are wearing swim diapers on the pad. Accidents can cause a closure of the park.

Change Facility

We recommend arriving in swim attire. Alexandra Pool change rooms are available during pool operating hours only. A single washroom located on the northeast corner of the outdoor pool building is available when the pool is closed. This washroom is not equipped with a shower.

Food Options

Food can be consuming on the grassed areas. Please tidy up after yourself and help us keep the park clean for everyone. Avoid glass containers to keep the park feet-friendly. A concession is available at the Alexandra Arena.

Don't Forget!

Children under 8 should be actively supervised on the Spray Pad. Smoking is not permitted in the park and pets are best left at home.

Please note that for safety reasons, children must be at least 8 years old to use the Wibit. Life Jackets are advised for smaller users or those with limited swimming experience.
