

Curbside collection **SCHEDULE**

About cart collection and schedule

- The city offers its utility customers a weekly collection schedule which includes the collection of waste, blue bag recyclables and organics.
- Carts are collected from either the back alley or the front street depending on access. If you are uncertain about your collection location, call the Eco-smart Hotline.
- Carts for new customers are delivered to the location that they will be picked up from.
- Blue bags are collected weekly year round.
- Waste is collected every second week year round.
- Organics are collected every second week in the winter and weekly from late April to mid-November. For specific dates check the calendar.
- The Eco Station takes blue bag recycling products, e-waste, household hazardous waste, old clothing and additional bags of waste year round. Check Leduc.ca for opening times.
