Work to start _____, 20 ____ and proposed completion _____, 20 ____

Prior to work commencing, the Applicant will check with all utility companies to ensure that the Applicant's work will not interfere with or damage any utility lines or other structures. The Applicant is aware of relevant provisions of the City's requirements for backfilling and restoration of excavations. Applicant is responsible for the safety of public and traffic. The City may inspect the Applicant's work at any time and designate corrections. If the Applicant fails to comply with any of the City's requirements, the City may undertake the necessary corrective work and charge the cost to the Applicant. The Applicant indemnifies the City against any claims, actions, damages, losses and expenses of any kind which may be made or brought against the City or which the City may suffer or incur in the course, or as a result, of the Applicant, its sub-contractors or agents carrying out the Applicant's work.

I, the above mentioned, do hereby agree to the conditions for approval as stipulated above.
