

Proclamation

Hydrogen Week

WHEREAS; City of Leduc is proud of the Edmonton region's longstanding leadership and expertise in the energy sector;

WHEREAS; The City of Leduc is confident that the Edmonton region's abundant talent, infrastructure, and resources will position Canada as tomorrow's global hydrogen superpower;

WHEREAS; the world is transitioning to a net-zero future, and The City of Leduc is ready to move aggressively as a leader within the Edmonton region to take advantage of this \$2.5 trillion global opportunity for Alberta and Canada;

WHEREAS; the Edmonton region can help meet domestic and global demand, and decarbonization efforts;

Bob Young | Mayor

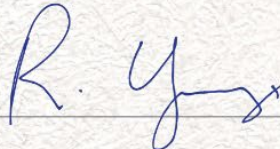

Proclamation

- WHEREAS;** The City of Leduc stands ready to help meet Canada's emissions reduction goals using hydrogen;
- WHEREAS;** Canadian and international leaders from across the entire hydrogen value chain are coming together to discuss and invest in the future of the hydrogen sector at the Canadian Hydrogen Convention from April 23–25, 2024 in Edmonton, Alberta;
- WHEREAS;** the week of April 22-26, 2024 represents an opportunity for the Edmonton region to showcase its unique strengths in hydrogen production, adoption, use, and innovation;
- THEREFORE,** I, Bob Young, Mayor of Leduc, do hereby declare April 22–26, 2024, Hydrogen Week in The City of Leduc

Bob Young | Mayor
