

# CITIZENS OF DISTINCTION AWARDS

## MAYOR'S SPECIAL AWARD

# Leduc Kinsmen

The Kinsmen Club of Leduc has been selected as the recipient of the 2023 Mayor's Choice Award. First established in 1959, the Kinsmen Club has played an integral role in the development of the community we know and love.

Like all the clubs within Kin Canada, the club has the primary goal of "serving the community's greatest need." True to its creed, the Kinsmen Club of Leduc has helped raise critical funds for numerous key initiatives in Leduc, such as the William F. Lede ball diamonds, the Leduc spray park and the Kinsmen Sports Park. The club is a regular contributor to the Leduc Hub Association, the Leduc & District Food Bank, STARS and Cystic Fibrosis Canada. Recent projects include sponsorship for the Deer Valley Community Gardens and funding for the upcoming Willow Park inclusive playground.

The Kinsmen Club's biggest project is the Leduc Country Lights. Together with the Leduc West Antique Society, the Kinsmen Club hosts the event each year with support from the Boys and Girls Club of Leduc and Thorsby 4H.

The club welcomes new ideas and new members. It seeks to provide a place of camaraderie and fellowship while contributing in meaningful ways to the community.
