

# SNOW MUCH FUN

CHECK OUT THESE ACTIVITIES FOR THE WHOLE  
FAMILY TO ENJOY.

# ▶ INDOOR SNOW

## Option 1 Supplies:

2 ½ cups Baking Soda, ½ cup White Hair Conditioner, Bowl

## How to:

Stir ingredients together till well mixed. You can add more baking soda to make your snow less wet. Remember to wash your hands after you play!

Storage: in an air tight bag or container for 5 days in a cool area

## Option 2 Supplies:

2 cups Corn Starch, 1 cup Baby Oil, Glitter (optional), Bowl

## How to:

Stir ingredients together till well mixed. You can add more corn starch to make your snow less wet. Remember to wash your hands after you play!

Storage: in an air tight bag or container for 5 days in a cool area

## Activities with Indoor Snow:

- Have a snowman building contest. Mr. Potato Head parts work great for decorating.
- Make a snow fort for some animals.
- Make a sensory bin including cookie cutters, sticks, buttons, rocks.

**SNOW MUCH FUN**

## FROZEN BUBBLES

### Supplies:

Liquid bubble solution (store bought or homemade), Bubble wand, COLD weather

### How to:

Blow bubbles in the air or close to a cold surface so they can stick and freeze. The bubbles will eventually pop but before they do make frost patterns.

### DIY Bubble Solution

2 ½ cups water, 1 cup dish soap, 6 tbsp corn syrup

### DIY Bubble Wand

Pipe Cleaner, Thin Metal, stiff string – wrapped in a circle with a handle

## SNOW PAINT

### Supplies:

Liquid food Colouring, Cold Water, Squeeze/Spray Bottles (old condiment bottles work great)

### How to:

Fill the bottles ¾ full with water. Add several drops of food colouring. Put the lids on give them a shake add more colour if it's not dark enough for your liking. Find some snow and paint! Remember to only colour snow not sidewalks or objects.

**SNOW MUCH FUN**

## ICE MARBLES

### Supplies:

Liquid food Colouring, Cold Water, Balloons (water balloons or regular size), Freezer, Scissors

### How to:

Add a few drops of food colouring into the balloon. Slowly fill the balloon with cold water while cradling the bottom. Tie a know in the top. If it's cold enough outside place balloon in some soft snow otherwise carefully place in freezer. When frozen use scissors to remove balloon and whala an ice marble.

Note: you can do the same thing with muffin tins and make building blocks!

## SNOWBALL DARTS

### Supplies:

Snow Paint/String, Snowballs

### How to:

Draw a dart board with between 3-5 rings in the snow. Make each ring a different colour and assign a point value. For example, outer ring is 1, next is 3 and middle is 5 for three rings. Draw a toss line. Make 5 snowballs. Alternate throws and keep points see who is the first to 31!

## SNOW MINI PUTT

### Supplies:

Putter (hockey stick, broom, homemade putter), Ball (snow or real), Course, Plastic Cups

### How to:

Be creative in creating a course by using a cup laying down as the hole. Stomp down the snow for the course make it unique (curvy, zig zag, leave patches of snow no stomped, build bridges or barriers). Get putting.
