

Safe Speeds Toolkit: Social Media

Suggested Captions

Get involved!

Use the suggested captions below to help spread the word on social media about residential speed change in the community beginning this fall.

FACEBOOK

Contribute to our kind and caring community by following safe speeds. This fall, speed limits on residential roads will decrease to 40km/hr in efforts to reduce the number of collisions and create a safer community for our youth and residents. More details: www.leduc.ca/SafeSpeeds

TWITTER

DYK that a collision at 50km/hr is like falling from a fourth-floor window? Leduc is reducing residential speed limits to 40km/hr to help create safer speeds in our community. This change will come into effect starting in the fall. More info: www.leduc.ca/SafeSpeeds

INSTAGRAM

Starting this fall, residential speed limits will be reduced to 40km/hr to create a safer community. Learn more about the upcoming change: www.leduc.ca/SafeSpeeds
