

Think Bigger Than Pink – School Resources

As you know, Pink Shirt Day is February 27. The City of Leduc, with support from 2nd Glance, is running anti-bullying campaigns in February, June and November this year under the slogan “Think Bigger Than Pink” because Pink Shirt Day is more than just one day, it is a movement to end bullying.

Of course, efforts to end bullying are particularly important for schools and so this year FCSS would like to offer our support for any internal initiatives you may have taking place. Please contact us if you have ideas we can help with.

If you are looking for a fun (and easy!) activity to do with your classes leading up to the 27th, we are going to be running an art contest for students of Leduc schools. Winners will have a chance to have their art featured on promotional items for campaigns later in the year. Please contact us for more information.

Finally, some resources you may find useful are found below:
