

## School Swim Lessons Session Dates 2018 – 2019

The following is a list of all available sets for school lessons. A variety of dates and times have been programmed to offer the best variety and flexibility for our schools.

Please remember when choosing sets, a **35-student maximum** (25 for preschool) is in place so we can ensure the safety and quality of your students' swimming lesson experience.

If bringing 2 grades at the same time with a minimum of 1 grade between (ie. Grade 1's & 3's, Grade 2's & 5's) please contact the Aquatic Programs Coordinator to request an arrangement to allow for more students. Requests for higher maximums will be accommodated where more instructors are available.
