

On a corner lot without access to a lane, you may be able to park an RV in the back yard or in the flanking front yard as long as:

- visibility from the intersection as well as adjacent properties is maintained;
- site triangles are maintained in accordance with the Land Use Bylaw; and
- the RV is enclosed within a screened fence 1.8 m high, located within the property

### What about parking trailers on a public roadway?

- RVs can't be parked on a public roadway for more than 72 hours. Once removed, your RV can't be returned to the roadway before an additional 48 hours has passed.
- Unattached trailers aren't allowed on roadways.

To learn more about parking your RV on a public road or to report concerns contact Leduc Enforcement Services at 780-980-7200 ext. 5.

## What is considered an RV?

Under the City's Land Use Bylaw, a recreational vehicle (RV) includes (but is not limited to):

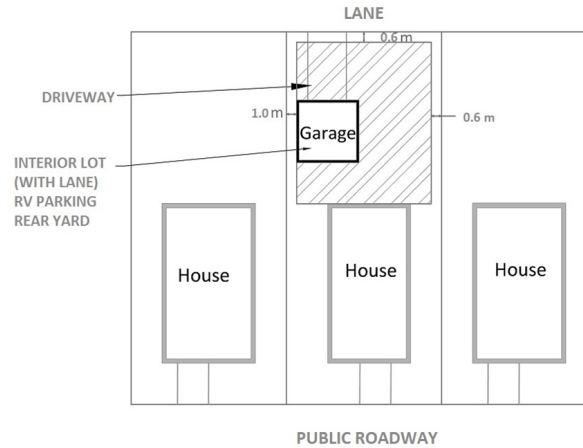

- Motorhomes
- Travel trailers
- Fifth-wheel travel trailers
- Campers, whether or not located on a truck or other vehicle
- Tent trailers
- Boats
- A trailer used to transport any of the above

### IMPORTANT:

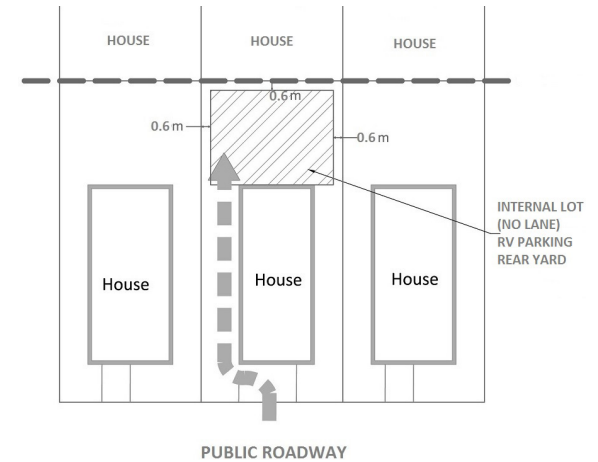

If you don't have access to a lane and as long as no complaints are received from an affected neighbour, you may park an RV on a front driveway between May 1 and Oct. 15 only. From Oct. 16 to April 30 of each year, the RV must be removed from the front driveway and stored either off-site or in an approved location on your lot, unless the RV is used solely for the purpose of winter sporting activities.

## PARKING AN RV

- The following diagrams are options you may have for parking and storing an RV on your property.
- If you have access to a lane, you may be able to park an RV in the back yard or on the driveway to your detached garage.

- If you don't have access to a lane but have adequate clearance between the side property boundary and your home, you may still be able to park an RV in the rear yard.
