ARTS, CULTURE AND HERITAGE AWARD

Angel Lynch

Recipient of the 2023 Arts, Culture and Heritage Award, Angel Lynch has been instrumental in advancing the arts community in Leduc and strives to enrich the lives of those around her.

Born in Leduc in 1967, Angel completed her degree in fibre arts at Grant MacEwan College. She has been an artist for more than 30 years – first in acrylics, then in pastels and now in oils. With a firm belief in the importance of the arts and in providing opportunities to artists of all ages and abilities, Angel became involved in the non-profit arts community. She first served as the president of the Leduc Art Club and has been a board member since 2018. She also played a critical role in establishing the Leduc Arts Foundry in 2019, and she continues to stay involved as a board member. Dedicated to promoting arts education and fostering cultural diversity, she also volunteers her time and expertise to a wide range of community initiatives such as the Aspiring Young Artists Competition, Leduc Art Walk and Beyond Art.

Angel is generous and supportive of others, embodying the spirit of volunteerism. When asked what makes art important, she says that art brings joy to both the artist and the viewer. “It would be a boring world without art,” she says.
