Safety First

- Full Face Visor is required
- Face-offs not permitted
- Limited digging for the puck
- To minimize your risk of injuries, shinny players are required to wear FULL hockey equipment*.
- Body-checking, rough play, and slap shots are a no go.
- Set the hockey nets in place with their pins, close all gates that are not in use, and stop game play immediately if requested by LRC staff.
- Pick-up any debris (broken sticks or blades) from the ice.
- Pack chips/holes in the ice immediately or contact a staff member if chips/holes appear in the ice.

Keep it Clean

Help keep our facility clean by respecting arena equipment and furnishings. Food including sunflower seeds, alcoholic beverages, glass bottles, and tobacco/cannabis are not permitted in the changerooms, benches, or on the ice.

Kindness is Cool

We love the positive energy you bring to play at the LRC. Keep that energy flowing by treating LRC staff, and your fellow patrons the way you would like them to treat you.

General Reminders

Shinny etiquette is to enhance your experience during your Shinny. It does not replace the City of Leduc, LRC Facility Use Guidelines and Expectations, which are in effect for all public patrons, and staff.
