Hello LATS Community,

Summer is in full swing, and July and August bring warm days, bright sunshine, and lots of chances to enjoy our community. With the hotter weather, it's a great time to focus on staying safe and comfortable while travelling.

To help you enjoy your trips, here are a **few simple summer safety reminders**:

- Stay hydrated by bringing a water bottle.
- Dress for the heat by wearing light clothing and a sun hat.
- Use sunscreen before heading out.
- Tell your driver if you feel too warm or unwell — we're here to help.

Our extended evening service hours will continue through the summer. **LATS will accept bookings until 9:00 p.m. on Monday and Tuesday evenings**, providing a cooler, more comfortable option for evening outings and events.

Planning an evening outing? For the best availability, we recommend booking your return trip at least one hour before the end of service.

Heading out of town this summer? Please call the office to let us know your travel dates so we can pause your standing orders while you're away. We'll make sure everything is taken care of until you return.

Thank you for riding with us and for being part of the LATS community. If you have any questions or feedback, we're always happy to help!
