Hello LATS Community,

As summer comes to an end and fall arrives, many of us are settling back into our regular routines. Whether you're travelling to appointments, programs, shopping, or community events, LATS is here to help you get where you need to go.

FALL TRAVEL REMINDERS:

- **Dress in layers**, as mornings and evenings can be cooler.
- **Bring an umbrella or rain jacket** for unpredictable fall weather.
- **Be ready** at the start of your scheduled pickup window.
- **Book appointments and trips** as early as possible to help us accommodate your travel needs.

PLANNING A GETAWAY OR HEADING SOUTH FOR THE WINTER?

Please let the LATS office know your travel dates so we can pause any standing orders while you're away and restart them when you return.

Thank you for riding with LATS and being part of our community.
We wish you a safe, comfortable, and enjoyable fall season!

PASSENGER CODE OF CONDUCT

TIP SPOTLIGHT

30-MINUTE PICKUP WINDOW

A simple window that helps us keep your rides on time and reliable for everyone.

WHAT DOES THIS MEAN?

- Your bus may arrive any time within the 30-minute window and still be considered on time.

BE READY TO GO

- Please be ready at the start of your pickup window.
- Drivers will wait up to 5 minutes after arriving before continuing their route.

WHY DOES LATS USE A PICKUP WINDOW?

- Manage shared rides efficiently
- Adjust for traffic, weather, and road conditions
- Keep trips reliable for all riders

TRAVELLING TO AN APPOINTMENT?

- When booking, request an arrive-before time for medical appointments or other time sensitive events.
- This allows the system to schedule your pickup so you arrive on time.

Signature Events Survey

We want your feedback

The City's signature events play an important role in bringing people together, building community pride, and making the most of our shared spaces. So, it's important they are relevant, inclusive, and enjoyable for everyone. We're looking for community feedback to make sure our events continue to reflect what matters most to residents. Your input will be used to help determine future event programming.

The survey will be open through the rest of 2026.
