City of Leduc utility billing date change starting in March

Attention utility account holders – payment due dates for all city utility bills are moving to the last weekday of the month starting in March. Not yet received your utility bill for February? You'll see it mid-March in your mailbox or email inbox. We appreciate your patience and understanding as we work to improve this service.

Please note: due to the nature of the shift, your next bill will have a longer billing period. This is a one-time adjustment to move the billing dates to the end of the month.

At this time, utility bills will remain on a bi-monthly schedule for all distribution methods, by mail and through e-billing. Note, those on the pre-authorized payment plans will not see a change in the payment withdrawal date. To learn more about your utility bill or to sign up for Leduc E-billing, contact the Finance department by emailing: utilities@leduc.ca or call 780-980-7177.

Public input helps shape EMS service delivery improvements

Quality customer care and patient safety are the top priorities for City of Leduc Fire Services, as demonstrated in achieving accreditation status in August 2018. However, the road to improvement doesn't end there.

Accreditation is an ongoing process set with a high level of professional standards for health care personnel, governed by Accreditation Canada.

To help improve the emergency medical services they provide, Leduc Fire offers an online survey for any customers and/or their family and friends to provide their opinions on the service they received. This also includes any members of the public who may have observed an emergency medical event and would like to share their input. In this survey, participants are asked a variety of questions, from overall satisfaction to the orderliness and tidiness of the ambulance. Survey results will be used to help enhance emergency medical service delivery and patient care, and is part of the ongoing accreditation process.

Visit: [EMS Survey](https://www.leduc.ca/emssurvey) (Leduc.ca/emssurvey) to participate in the survey online. Hard copies are available at Fire House 1 (2-4119 50th St), and at the Leduc Civic Centre (1 Alexandra Park).

For more information about the accreditation process go to the city's website: [Fire Services Accreditation](https://www.leduc.ca/fire-services/accreditation)

(Leduc.ca/fire-services/accreditation). Email: emssurvey@leduc.ca or call Leduc Fire Services to speak to the Quality Assurance Coordinator at: 780-980-8475.
